Re: RV use on Lake Clear

Dear Mayor Murphy and Municipal Councillors:

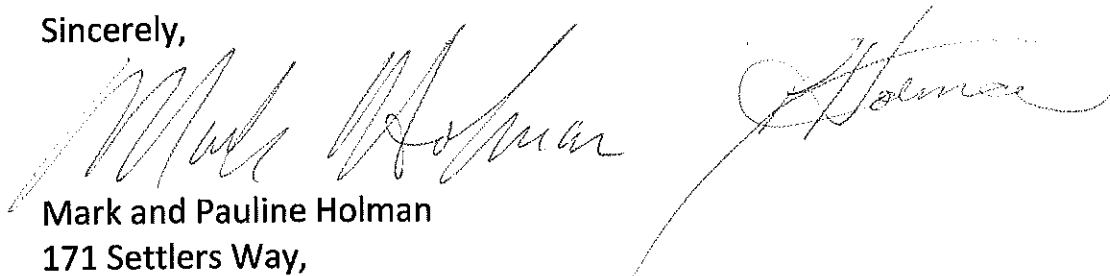

We have been cottage owners on Lake Clear for over 10 years and are supporters of the Lake Clear Property Owners Association.

We are responsible cottage owners, have one cottage, which is located in accordance with the zoning regulations (of that time). We have our septic system regularly pumped, have maintained shoreline vegetation and adhere to environmental practices.

We have read the material provided by the LCPOA related to RVs and ask that BVT Council immediately institute by-laws related to the unregulated use of RVs on Lake Clear.

We are concerned about this for a variety of reasons including, taxation fairness and environmental impact.

Sincerely,

Handwritten signatures of Mark and Pauline Holman in cursive script.
