Subject: LAKE CLEAR RV & TRAILER PUBLIC MEETING JUN 9

Reply-To: chipmunkc chipmunkc <chipmunkc@sympatico.ca>

As property owners on Lake Clear Rd we are concerned about the possibility of a new by-law proposal concerning RV and trailers on Lake Clear. Unfortunately we are unable to attend the upcoming meeting as we received no notification about this meeting. We only found out about this meeting through a friend who read an open letter in the Eganville Leader.

This in itself gives us great concern as matters that effect the owners of a particular area should be made more public when major changes proposed can greatly effect them.

Our other concern is that as taxpayers, the same as residents without RV and trailers, we should be allowed to store and use our recreational vehicles on our property as we see fit. If we start regulating the use of RV's on the lake, what is next, will we then restrict the size of boats on the lake?

Property owners should have the right to use their property as they see fit as long as they are respectful of other owners and are following .proper sewage dumping regulations.

We ask that we now be kept abreast of all developments concerning this matter. We also ask that we be provided a copy of the minutes of the meeting as well as notice of all future meetings.

Thank you,

Daniel and Candace Jaenen
