Re : RV use on Lake Clear

Dear Mayor Murphy and Municipal Councilors,

We have been cottage owners on Lake Clear for 8 years and we are supporters of the LCPOA, Lake Clear Property Owners Association. We bought our cottage from Sharri-Lynn's parents who owned it since it was first built in 1957. We are responsible cottage owners, which is located in accordance with the zoning regulations (of that time). We have our septic system regularly pumped, have maintained shoreline vegetation and adhere to strict environmental practices.

We have read the material provided by the LCPOA related to RVs and ask that BVT Council immediately institute by-laws related to the unregulated use of RVs on Lake Clear.

We are very concerned about this for a variety of reasons including the environmental impact and taxation fairness. It is important to us to be proactive in this implementation and work together to keep our Lake as pristine as it is now.

Sincerely,

Sharri-Lynn Lalonde
