Re: RV use on Lake Clear

Dear Mayor Murphy and Municipal Councillors:

I have been a cottage owner on Lake Clear for 25 years and I am a supporter of the Lake Clear Property Owners Association.

I am a responsible cottage owner, have one cottage, which is located in accordance with the zoning regulations (of that time). I have my septic system regularly pumped, have maintained shoreline vegetation and adhere to environmental practices.

I have read the material provided by the LCPOA related to RVs and ask that BVT Council immediately institute by-laws related to the unregulated use of RVs on Lake Clear.

I am concerned about this for a variety of reasons including, taxation fairness and environmental impact.

Sincerely,
