Bryan, I am not sure if I formerly replied on my stand opposing the addition of RV restrictions to our current BVT By-Laws. As I am down in Florida and it is getting close to the wire for submitting ones views (ie by 31 Mar) I would ask you to forward my view to whomever is tabulating those for and against, so...

To Mayor Murphy and Municipal Councilors

I DO NOT AGREE WITH THE PROPOSAL PUT FORTH TO YOU FROM THE LCPOA LAND USE COMMITTEE TO RESTRICT RV USE ON LAKE CLEAR. I BELIEVE THE EXISTING BY-LAWS ARE SUFFICIENT.

Thank you

Herb Weckwerth, a 3rd generation Lake Clear property owner.
