Re: RV use on Lake Clear
Dear Mayor Murphy and Municipal Councillors:

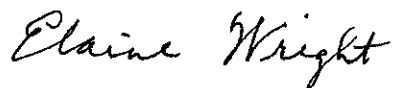

I have been a cottage owner on Lake Clear for 55 years and I am a supporter of the Lake Clear Property Owners Association. For 53 years our cottage was at the end of Wieland Shore Road. Unfortunately I was unable to purchase the adjoining property and donate it to the Lake Clear Conservancy Association. Dan Felaber purchased it and extended the road across a creek without Ministry of Natural Resources Inspection and created many more trails for 4X4's and snowmobiles. Now he has cleared a lot and has plans to put a trailer on it. We hope that he will be required to have a septic system and retain the natural vegetation around it.

I am a responsible cottage owner, have one cottage, which is located in accordance with the zoning regulations (of that time). I have my septic system regularly pumped, have maintained shoreline vegetation and adhere to environmental practices.

I have read the material provided by the LCPOA related to RVs and ask that BVT Council immediately institute by-laws related to the unregulated use of RVs on Lake Clear.

I am concerned about this for a variety of reasons including, taxation fairness and environmental impact.

Sincerely,

Elaine Wright
