## PUBLIC NOTICE PESTICIDE USE

The Township of Bonnehchere Valley intends to utilize Wagar & Corput Weed Control Inc. to control noxious weeds along Township of Bonnehchere Valley roadsides.

The contractor will be using the following pesticides:

- Clearview Herbicide Reg. #29752; active ingredients include Metsulfuron-Methyl and Aminopyralid, present as potassium salt, under the Pest Control Products Act (Canada) – (S.C. 2002, c. 28).
- Gateway Adjuvant Reg. #31470, active ingredients Paraffinic Oil and Alkoxyated alcohol non-ionic surfactant, under the Pest Control Products Act (Canada) – (S.C. 2002, c. 28).

The pesticide use is proposed to occur between September 9 and September 30, 2019 (weather permitting).

Please contact Township of Bonnehchere Valley Department of Public Works if you require more detailed information regarding our spraying program. This information, along with a map of the spraying locations is available on the Township of Bonnehchere Valley website.

For additional information, please contact: *(collect calls will be accepted)*
