Introduction: The submission of an application to the Municipality to amend the Official Plan or Zoning By-law is provided for in the Ontario Planning Act. As such, this form must be completed and accompanied with the required fee prior to consideration by Council. The purpose of these Guidelines is to assist persons in completing the application to amend the Official Plan or Zoning By-law. Should you require clarification on any matter covered by this application form, please contact the Municipal Office at the address at the bottom of this page. For a complete reference to the Official Plan and Zoning By-law process, please consult the Planning Act.

Application Fees: Each application must be accompanied by the application fee in the form of a cheque payable to the ___________________________. Please be advised that the Municipality may have a tariff of fees by-law which provides for the payment of additional fees, if applicable.

Fees: $______________ Zoning By-law Amendment
$______________ Official Plan Amendment

Copies: _____ copies of this application, including the sketch or schedule and other information as may be specified, shall be required.

Authorization: If the applicant is not the owner of the subject land, a written statement by the owner must accompany the application which authorizes the applicant to act on behalf of the owner as it relates to the subject application (See Part V, page 8).

Proposed Schedule/Sketch: All applications for Official Plan Amendments must include the proposed Schedule, if the Schedule to the Official Plan is to be changed or replaced. All applications for a rezoning must include an accurate sketch, preferably prepared by a qualified professional, showing the items listed (see Question 35, page 6).

Supporting Information: Please bear in mind that additional information may be required by the municipality, County, local and provincial agencies in order to evaluate the proposed amendment. This information is often a requirement of the local Official Plan, Provincial policies and/or applicable regulations. The required information may include studies or reports to deal with such matters as environmental impacts, traffic, water supply, sewage disposal and storm water management.

In addition, the applicant may be required to submit a more detailed site plan, under site plan control, prepared by a qualified professional, showing the proposed development including all new buildings and structures, parking areas, landscaping and other site information as required by the municipality.

The Schedule to Ontario Regulation 543/06 outlines “prescribed” information for an Official Plan Amendment. The Schedule to Ontario Regulation 545/06 outlines “prescribed” information for a Zoning By-law Amendment.

Approval Process: After the submission of an application, the Clerk will determine if the application is complete, including whether all of the information prescribed by the Ontario Regulation(s) and the required fee have been provided. If the application is complete, the Clerk will deem the application to be received. The applicant/owner will be notified whether the application is complete or whether more information is required.
Upon receipt of a complete application, the required fee and such other information as may be required, Council will determine whether there is sufficient merit in processing the application further (i.e. the circulation of notice and the holding of at least one public meeting as required by the Ontario Planning Act). The applicant will be encouraged to attend a public meeting, to present the proposal. The applicant will be provided notice of any decision made by Council concerning the application. Amendments to the County of Renfrew OP are adopted by County Council and approved by the Province of Ontario. Amendments to local Official Plans are adopted by Council and then forwarded to the County of Renfrew for approval.

Please be advised that the Planning Act provides for appeal procedures in respect of Official Plan and Zoning By-law Amendments.
