**Have a Planning Issue & Need Advice?**

Are you thinking about severing a parcel of land? Rezoning a piece of property? Or simply have a planning question that you need an answer to?

We will have a qualified planner from the County of Renfrew in our office on the 1st Tuesday of the month from now until December. This is an excellent opportunity to assist you in your early planning stages so that we can help identify issues or concerns and/or make suggestions that you will need to consider before filing an application.

If you would like to speak to the planner on your planning issue please contact the BV municipal office at 613.628.3101 and we will be happy to schedule an appointment for you!

**Notice of Passing of Township Zoning By-Law and Open House**

As you may be aware the Township of Bonnechere Valley recently passed Zoning By-Law 2022-042.

Over the last few months, the Township has been working to consult with the public on this matter. We held an Open House and a Public Meeting to receive comments prior to the passing of the by-law.

The Township is holding another Open House:

Thursday, July 14, 2022  
6-8 pm  
Eagle's Nest, 178 Jane Street  
(Community Hall above the Eganville Arena)

We invite you to attend this Open House to view the results of the consultation and to review the zoning maps and By-Law 2022-042.

**Taste of the Valley coming to BV**

For over a decade, Taste of the Valley events have become increasingly popular for both residents and visitors to Renfrew County. The original concept for the Taste of the Valley was to promote and support local food producers in the Ottawa Valley.

Over the years the events have evolved to encourage an expanded focus on the notion of "taste" with the celebration of local food, products, art and culture.

We are pleased to announce that we are part of the Taste of Valley lineup for this year. Our event will take place on Friday, August 26, 2022 from noon to 7 pm at Eganville's Legion Field.

**Keeping 911 Signs Clear and Visible**

We are asking all residents to keep their 911 signs clear and visible from brush and not to remove them from their original location.

These signs are used to locate dispatched locations quickly and effectively. Time is wasted when firefighters and emergency services have to search for these signs. Please help all emergency workers get to you quickly and efficiently.

If your sign is damaged or stolen please contact the municipal office at 613.628.3101.

**MUSIC IN THE PARK**

Music in the Park is returning! Join us on Wednesday and Friday evenings beginning Friday, June 24, 2022 from 7-9 pm. Please visit the Township's website and facebook page as we still have some openings to fill. Also this is where notifications will be posted if we need to relocate the evening to the Eganville Arena, 178 Jane Street due to weather.
