**Winter Parking Restrictions**

Residents are reminded that there is **NO OVERNIGHT PARKING** allowed on any street or road in Bonnechere Valley between the hours of 12:00 am to 7:00 am from the 29th of November to the 31st of March.

Vehicles found parked during that time will be ticketed or if they are interfering with Municipal Snow removal operations will be towed.

**Think you're done shovelling?**

We want to remind property owners that you also need to keep any fire hydrants located on your property clear of any snow.

Firefighters are equipped to remove snow and ice from around a hydrant when they arrive at a call. However, they would prefer to focus on the task at hand when they arrive on a scene.

**Keep an eye out for upcoming community flu shot clinics at the Echo Centre**
