NOTICE

NOTICE OF PUBLIC HEARING FOR MINOR VARIANCE APPLICATION

TAKE NOTICE THAT the Township of Bonnechere Valley Committee of Adjustment will be considering a Minor Variance Application made under Section 45 of the Planning Act by

David Kraftchick and Megan Panke - MVA2026-01

The subject land is described as Part Lot 4 Con 6, in the geographic Township of South Algona, 582 Crimson Maple Road. The hearing will be held on **Tuesday June 2, 2026 at 5:15 p.m. in Council Chambers 49 Bonnechere Street, East, Eganville, ON.**

Purpose: The property owner(s) are proposing to relocate an addition that was built encroaching on a neighbours property. They are seeking side yard relief from ten feet to two feet on the additions new location.

Under Section 9.2(d) of the local Zoning By-law, the minimum interior side yard setback is 3 metres (9.8 feet). In this proposal, the addition will encroach into the minimum required side yard width. The actual proposed setback will need to be confirmed. This will require permission for a variance to the Zoning By-law from the 3-metre minimum requirement to 0.6 metres to meet the proposed setback distance.

If you would like to provide the Committee of Adjustment with your written comments on this application, please contact the undersigned. If we have not heard from you by the hearing date specified, we will assume that you have no comments or concerns regarding this matter.

If a person or public body that files an appeal of a decision of the Committee of Adjustment in respect of the proposed Minor Variance does not make a written submission to the Committee before a decision is made, The Ontario Land Tribunal may dismiss the appeal.

Notice of Collection: Personal information collected as a result of this public meeting is collected under the authority of the Municipal Act, the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA), the Planning Act, and all other relevant legislation, and will be used to assist in making a decision on this matter. All personal information (as defined by MFIPPA), including (but not limited to) names, addresses, opinions and comments collected will be made available for public disclosure to members of the public, at the meeting, through requests, and through the website of the Corporation of the Township of Bonnechere Valley. Questions regarding the collection, use and disclosure of this personal information may be directed to the undersigned.

If you wish to be notified of the decision of the Committee in respect of the proposed Minor Variance, you must make a written request to the undersigned.
